

Certificate of collaboration

Eduardo Antonio Soto Rodríguez
Spain

Acted as Scientix Deputy Ambassador during Cycle 3 (Apr/2015 - Nov/2015) of Scientix 2.

During this period, Eduardo Antonio Soto Rodríguez carried out the following tasks:

- Presented Scientix at teachers' events at national level
- Disseminated Scientix through local and social media
- Offered content support (e.g. developing Moodle courses, participating in the Resources Awards, writing articles for the Scientix blog, etc)
- Participated in the Communities of Practice of Scientix
- Reported on activities carried out
- Supported National Contact Points, when needed
- Provided Scientix support to other projects
